TEST CHANGE

ACTION	ORDER CODE	TEST NAME
DEACTIVATE	LAB10658	FATTY ACID PROFILE, ESSENTIAL
REPLACEMENT	TBD	FATTY ACID ESSENTIAL PROFILE C12-C22 Labcorp Test ID 070325

REASON FOR THE CHANGE

Pacific Diagnostic Laboratories (PDL) partner referral lab, Labcorp, has made a test change.

- The laboratory performing this testing has changed.
- A new test code is in process of being built.
- Short-term the replacement test can be ordered as a MISCELLANEOUS test.

PDL will provide an update when the new test code is available.
